STATEMENT ON LIBRARY PROGRAMMING: All Library programs are free of charge and open to everyone. You do not need a Library card to attend a program. Some programs do not require registration; however, registration is always strongly suggested so we can ensure that everyone has a seat and the room is adequately setup. Library programs are presented to offer differing viewpoints, and are not intended as endorsement by the library of views expressed by, or actions suggested by, individual speakers or groups.

PHOTO USE POLICY: The Lake Bluff Public Library reserves the right to use photos and/or audio/video recordings taken at the Library or at a Library-sponsored event for publicity purposes. Please see our Photo Use policy for more information.
